## Introducing Holden Dealer Certified Used Vehicle Warranty

### Our stamp of approval

When purchasing a Holden Certified used vehicle, you can be sure you're not buying someone else's problems.

Every Holden Certified used vehicle is meticulously scrutinised inside and out, ensuring that only the very best used vehicles gain Holden Certified used vehicle status.

The Holden Certified used vehicle process is strict and detailed, and ensures that a Holden Certified used vehicle has:

- Passed a 100 point pre-sale inspection - ensuring it is fully operational and mechanically sound.
- A clean vehicle history - free of any financial encumbrances.
- All outstanding recall work completed.
- A complete service history.
- An accurate odometer reading\*.
- A complete vehicle history certificate.

\*odometer reading accurate as far as this is possible to assess.

### Holden Dealer Certified Used Vehicle Warranty

To ensure your Holden Certified used vehicle continues to meet the high standards set by its original certification, protect it and yourself with the genuine Holden Dealer Certified Used Vehicle Warranty.

The Holden Dealer Certified Used Vehicle Warranty has been designed to provide your vehicle with protection against an unforeseen mechanical failure.

### How it works

Repairs as a result of a mechanical failure can be expensive. The Holden Dealer Certified Used Vehicle Warranty covers repair costs\*\* meaning you do not have the financial burden of paying for repairs.

\*\*Subject to the terms and conditions of the warranty.

### Our guarantee to you

It's important to protect your quality vehicle with quality mechanical repairs. Not only will the Holden Dealer Certified Used Vehicle Warranty protect you and your vehicle in the event of a mechanical failure, but it will also guarantee the quality of all repairs completed under the warranty for the duration of the remaining warranty period.

### Your vehicle, your choice

Not everyone drives the same vehicle, so not everyone should have the same warranty.

The Holden Dealer Certified Used Vehicle Warranty offers you a choice of warranty plans, designed to suit the differing needs of today's drivers. Whether you drive short or long distances, or whether you plan to keep your vehicle for a short or long term, there is a Holden Dealer Certified Used Vehicle Warranty plan to suit your needs.

### Assisting you, not just your vehicle

The Holden Dealer Certified Used Vehicle Warranty also provides assistance to you in the event your vehicle suffers a mechanical failure.

Additional benefits include:

- Vehicle towing, if your vehicle becomes immobilised due to a covered mechanical failure.
- Car rental if your vehicle takes longer than 2 days to repair.
- Emergency accommodation if you are away from home.
- Locksmith services if your locks need repair or replacement.

### Holden Certified
